Honorable Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with the provisions of 37 C.F.R. 1.56 and 37 C.F.R. 1.97-1.99, Applicant submits herewith a Form PTO-1449 listing information known to Applicant and requests that this information be made of record in the above identified application. Copies are submitted herewith in accordance with 37 C.F.R. 1.98(a).

Full English translations of JP 02-044769 and JP 04-358129 are submitted herewith. English abstracts of these references were previously submitted with the Information Disclosure Statements of November 15, 2001 and April 23, 2008, respectively.

This Information Disclosure Statement is being submitted before the issuance of a first Office Action on the merits, therefore, no fee is required.

It has come to applicant's attention that an Information Disclosure Statement previously submitted included inadvertent typographical errors or incomplete information.

Specifically, the Information Disclosure Statement filed November 15, 2001, included the following inaccuracy:

1) JP 02-214152 was incorrectly listed with a publication date of 09/27/1990. The correct publication date is 08/27/1990.

Further, in the PTO 892 Form accompanying the Official Action mailed April 17, 2003, JP 62-274729 is incorrectly listed as JP 362274729.

The above inaccuracies are corrected on the 1449 Form attached hereto. The Examiner is requested to initial the attached PTO Form 1449 evidencing consideration of the above references and line through these references on the previously submitted Information Disclosure Statements to ensure that the correct information is printed correctly on any issued patent.

The Commissioner is hereby authorized to charge fees under 37 C.F.R. §§1.16, 1.17, 1.20(a), 1.20(b), 1.20(c), and 1.20(d) (except the Issue Fee) which may be required now or hereafter, or credit any overpayment to Deposit Account No. 50-2280.

Respectfully submitted,

Eric J. Robinson
